Steven D. Overby, MBA, CFE, PI

5 Cowboys Way, Suite 300, Frisco, Texas 75034 • (469) 922-3133 • stevendoverby@fcforensics.com

PROFILE

- Expert in financial forensics and fraud investigations, providing litigation support, expert testimony, and consulting in civil and criminal matters, including complex financial and white-collar cases
- Over 20 years of federal law enforcement experience investigating financial crimes, including bank and loan fraud, wire fraud, securities fraud, embezzlement, and elder financial exploitation, resulting in 100+ convictions and nearly \$1 billion in court-ordered restitution
- Nearly three decades of experience working with and for major financial regulators, including the FDIC and U.S. Department of Labor; former holder of FINRA Series 3, 7, and 66 licenses, demonstrating deep regulatory expertise and comprehensive knowledge of financial operations
- MBA in Finance, Carnegie Mellon University; Certified Fraud Examiner; licensed private investigator in Texas
- Recognized authority and public speaker on fraud detection, prevention, and financial crime risk

EXPERIENCE

FINANCIAL CRIME FORENSICS LLC

Managing Member | Founder

Frisco, TX

9/2021 – Present

- Provide financial forensics, litigation support, financial crime compliance consulting, and private investigation services in civil and criminal matters to law firms, government agencies, financial institutions, and victims of financial crime
- Analyze evidence and trace complex financial transactions; participate in defendant, plaintiff, and witness interviews; support trial preparation and litigation strategy; prepare expert opinion reports and demonstrative exhibits; and provide expert witness testimony in civil and criminal proceedings
- Facilitate referrals to law firms for civil litigation and government agencies for criminal investigation and prosecution
- Deliver public speaking engagements as an authority on fraud detection and prevention
- See additional information on company's website at www.fcforensics.com

MORGAN STANLEY

Financial Advisor

Dallas, TX

10/2018 – 12/2021

- Analyzed securities and constructed investment portfolios aligned with client risk profiles and regulatory suitability standards
- Evaluated market conditions, trading activity, and portfolio performance to identify risk exposure and investment concerns
- Prepared financial reports detailing risk analysis, performance metrics, and forward-looking projections
- Developed in-depth knowledge of broker-dealer operations, compliance requirements, and client account supervision
- Maintained top-tier performance ranking among peers for 25 consecutive months
- Delivered 75 public speaking engagements on fraud detection and prevention

- Investigated a wide range of financial crimes, including mail and wire fraud, mortgage and commercial loan fraud, securities and investment fraud, embezzlement from financial institutions, as well as identity theft and financial exploitation
- Applied advanced investigative and financial forensic techniques to develop innovative approaches for uncovering fraud and detecting complex fraudulent financial transactions
- Analyzed internal bank policies, operational controls, and compliance with FDIC regulatory standards to identify institutional weaknesses and management oversight deficiencies; applied specialized training from the FDIC Risk Management Training Program - Examination School for Non-Examiners to support risk assessments and policy evaluations.
- Prepared accurate, logical, and concise written reports and presented findings to prosecutors, judges, and juries
- Keynote speaker on economic crime at banking and fraud prevention conferences with 100+ attendees
- Investigations led to the conviction of more than 70 individuals and resulted in several hundred million dollars in court-ordered restitution for victims of financial crime

High-Profile Investigations (Details at www.fcforensics.com)

- \$137 million bank and wire fraud scheme that caused the collapse of a community bank
 - *U.S. v. John Arnold Shelley, Western District of Oklahoma*
- \$116 million check kite scheme involving conspiracy between a bank president and his customer
 - *U.S. v. Charles Ray Smith and U.S. v. Christopher Brent Jerrolds, Western District of Tennessee*
